JUSTICE FOR WORLD TRADE CENTER MARRIOTT WORKERS!

We are restaurant workers, cleaners, laundry workers and other service workers. On September 11, our workplace at the Marriott World Trade Center Hotel was destroyed as we risked our lives to save innocent hotel guests. Afterwards, Marriott promised to "make every effort to assist with placement into new positions." Instead of keeping its promise, Marriott laid all of us off on October 5 with no job prospect. Some of us have worked at the Marriott for more than 20 years. Abandoned by Marriott, we have been left out in the cold and victimized a second time.

Meanwhile Marriott is opening two new NYC hotels but is hiring new workers for lower wages. Marriott also has 2,300 hotels worldwide and made more than $10 billion in sales last year. It is the largest lodging corporation in the world. Now the company stands to benefit from the $20 billion in U.S. aid pledged to help rebuild NYC.

SIGN OUR PETITION TO SUPPORT OUR DEMANDS THAT MARRIOTT...

1. Offer us jobs at any Marriott facility in the NYC Metropolitan area at our original salary
2. Provide decent working conditions free from harassment
3. Provide all displaced Marriott workers with the full benefits promised from the Marriott Associates Assistance Fund
4. Provide counseling services to Marriott employees affected by the WTC disaster
