

SUPPORT WORKERS AT IL BASTARDO, INTERMEZZO AND ARTE CAFE WHO WERE FIRED FOR FIGHTING FOR THEIR RIGHTS!

DEMAND THAT OWNERS STOP THIS RETALIATION!

The owners **Roberto Malta, Enrico Malta, Robert Debenedictis y Tarek Alam** of Intermezzo/Il Bastardo restaurants forced workers to work up to 78 hours per week. Bosses denied them minimum wages (paying as little as \$3.33/hr), overtime pay, and lunch breaks. They also withheld wages. After workers filed a lawsuit for all of the above, owners retaliated against them. They tried to divide and punish workers by changing their hours, forcing them to work at different restaurants of the same company, and refused to pay them on time. When workers continued to organize, they were fired. We are demanding that the owners of Intermezzo, Il Bastardo, Bar Baresco, Arte Cafe, Maria Pia, and Puttanesca:

- **STOP RETALIATION AGAINST WORKERS**
- **REHIRE THE WORKERS**
- **PAY WORKERS WHAT IS OWED TO THEM, INCLUDING OVERTIME PAY**

Residents! Why tolerate sweatshop conditions like these in your community?

Customers! Why support businesses that don't respect the labor and rights of workers?

Workers! Are you facing similar conditions in your job? Call Us!
